Index to Hawai'i Medical Journal Volume 66, 2007

Authors Index

ABE L. Factors associated with organ donation in Filipino Americans: results from Hawai'i's Bayanihan Project, 66(7):181
ABOYOUSSEF M. Underdiagnosis and under-treatment of osteoporosis following fragility fracture, 66(7):185
AKINAKA KT. Culturally sensitive strategies designed to target the silent epidemic of Hepatits B in a Filipino community, 66(6):154
ALBRIGHT CL. Factors associated with organ donation in Filipino Americans: results from Hawai'i's Bayanihan Project, 66(7):181
---Involving Hawai'i's youth as partners in global health initiatives to impact change at the local level [Cancer research center hotline], 66(9):248
AMBROCIO DU. Eosinophilic fasciitis in a 57-year-old Japanese-Amercian woman, 66(3):64
ANNERUD CR. Is clinical empathy teachable? A medical humanities initiative [Medical school hotline], 66(6):162
ARENSDORF AM. Talking about psychiatric medications: a parent-to-parent perspective (for children and youth) part I, 66(10):260
AUNG N. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
BAKER MT. Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
BARUFFI G. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
BERESTECKY J. Survey of methicillin-resistant staphylococcus aureus (MRSA) carriage in health college students, Hawai'i, 66(8):213
BERG JT. Failure of juice or juice extract from the Noni plant (Morinda citrifolia) to protect rats against oxygen toxicity, 66(2):41
BERGERT L. Family centered rounds: a new twist on a old concept [Medical school hotline], 66(7):188
---A snapshot of bronchiolitis in Hawaiian children: winter 2005, 66(11):296
BHAGAVAN NV. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
BIDWELL RJ. Compassion in medicine [Medical school hotline], 66(11):303
BJORDAHL RG. Letter regarding e-mail etiquette [Letter to the editor], 66(5):116
BOYD WC. Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
---Short-term economic impact of bariatric surgery on pharmacy claims paid: a health plan perspective, 66(4):100
BRADY SK. He mana'o, thoughts from the editor: the evolving world of CME [Editorial], 66(11):288
BRAUN K. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
--- Lā'au lapa'au and western medicine in Hawai'i: experiences and perspectives of patients who use both, 66(7):176
BREES-SAUNDERS Z. Intimate partner violence: systematic review of literature focused on the cultures of Hawai'i, 66(5):129
BROWN JD. Thyrotoxic periodic paralysis in a Polynesian male following highly active antiretroviral therapy for HIV infection, 66(3):60
CAMPOS JA. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
CARBONE M. Mesothelioma [Cancer research center hotline], 66(2):48
CARNEY JF. Emerging bone health issues in women with breast cancer in Hawai'i [Cancer research center hotline], 66(6):164
CHAPITAL AD. Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
CHEN R. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
CHOY L. Formulating public health education needs: input from the health community [Medical school hotline], 66(2):45
CHUNG J. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
CHUNG SG. Broken heart syndrome – a critical review of transient left ventricular apical ballooning, 66(10):265
COLEMAN D. Cancer survivorship requires long-term follow-up [Cancer research center hotline], 66(4):104
COLLIER AC. The role of pharmacology in medical teaching [Medical school hotline], 66(5):135
COOPER S. Talking about psychiatric medications: a parent-to-parent perspective (for children and youth) part I, 66(10):260
CRAWFORD NS. Use of thromboprophylaxis in orthopedic surgery: a survey of Hawai'i orthopedics, 66(12):322
CROWELL D. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
CURB JD. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
DAVIS J. Emerging bone health issues in women with breast cancer in Hawai'i [Cancer research center hotline], 66(6):164
--- Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
DELA CRUZ MR. Factors associated with organ donation in Filipino Americans: results from Hawai'i's Bayanihan Project, 66(7):181
DELLA D. Involving Hawai'i's youth as partners in global health initiatives to impact change at the local level [Cancer research center hotline], 66(9):248
DELLINGER SF. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
DEMARE P. RTOG clinical trials for prostate cancer [Cancer research center hotline], 66(10):273
DEXTER S. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
DONG J. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
DUNN-RANKIN P. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
EASA D. Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
ETO K. Usefulness of stapled triangular anastomosis for laparoscopic colectomy, 66(4):92
---Early carcinoma of the vermiform appendix diagnosed by colonoscope: a case report, 66(4):93
FORRESTER M. Potential impact of pregnancy outcome on the completeness of diagnosis of birth defects, Hawai'i, 1986-2001, 66(2):32
FORRESTER MB. Structural birth defects associated with neural tube defects in Hawai'i from 1986 until 2001, 66(9):240
---Comparison of cleft lip only and cleft lip and palate, Hawai'i 1986-2003, 66(11):298
FUJIOKA RS. Survey of methicillin-resistant staphylococcus aureus (MRSA) carriage in health college students, Hawai'i, 66(8):213
FURUSAWA E. Failure of juice or juice extract from the Noni plant (Morinda

citrifolia) to protect rats against oxygen toxicity, 66(2):41
GARRARD S. Mindfulness Meditation Meditation and its medical and non-medical applications [Cancer research center hotline], 66(12):328
GELBER R. Risk factors for venous thromboembolism in Japan: a hospital-based case-control study, 66(9):236
GENTRY L. Formulating Hawai'i's public health education needs: input from the health community [Medical school hotline], 66(2):45
GOTAY C. Mindfulness Meditation and its medical and non-medical applications [Cancer research center hotline], 66(12):328
GOTO CJ. The president's inaugural address: our patients always come first, 66(11):289
GUERRERO A. Centipede bites in Hawai'i: a brief case report and review of the literature, 66(5):125
GUSTAFSON HL. BAROS results in 300 patients following laparoscopic gastric bypass with subset analysis, 66(4):97
HA C. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
HANSEN K. Intimate partner violence: perceptions of Chuukese women, 66(10):268
HARADA AS. Successful treatment and lib salvage of mucor necrotizing fasciitis after kidney transplantation with posaconazole, 66(3):68
HARADA GL. Broken heart syndrome – a critical review of transient left ventricular apical ballooning, 66(10):265
HARRIGAN R. Music and cancer pain management, 66(11):292
---Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
HEMSCHEIDT T. Ocean science, genomics, and pharmaceutical discovery [Cancer research center hotline], 66(3):76
HERNANDEZ BY. Prophylactic HPV vaccination for the prevention of cervical cancer [Cancer research center hotline], 66(7):190
HIROTA S. A rare case of a pancreatic tumor in association with the syndrome of inappropriate antidiuretic hormone secretion, 66(6): 158
HLA MM. Intimate partner violence: systematic review of literature focused on the cultures of Hawai'i, 66(5):129
HOFFMAN T. Ginger: an ancient remedy and modern miracle drug [Medical school hotline], 66(12):326
HONDA H. Oriental Cholangiohepatitis from outside of Asia, 66(1):9
HUBBARD A. Culture and motivational factors for health behaviors among young adults [Cancer research center hotline], 66(8):218
HUGHES C. Community recommendations on outreach activities for Quest-Expanded: Medicaid managed care for the aged, blind, and disabled population, 66(2):36
HUYNH TV. Mindfulness Meditation and its medical and non-medical applications [Cancer research center hotline], 66(12):328
IFENUK M. Intimate partner violence: perceptions of Chuukese women, 66(10):268
IGAWA-SILVA W. Music and cancer pain management, 66(11):292
ING M. The use of electronic biofeedback for the management of post-herpetic neuralgia - a report of 3 cases, 66(9):232
ITO H. Risk factors for venous thromboembolism in Japan: a hospital-based case-control study, 66(9):236
IZUMI AK. Primary cutaneous crytococcosis in Hawai'i, 66(1):14
IZUTSU S. Student profile, class of 2011: John A Burns School of Medicine (JABSOM), University of Hawai'i [Medical school hotline], 66(10):272
JACKSON D. Initial assessment of a culturally tailored substance abuse prevention program and applicability of the risk and protective model for adolescents of Hawai'i, 66(5): 118
JUDD N. An innovative mentoring program for Imi Ho'ola Post-Baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical School Hotline], 66(4):102
---Teaching medical professionalism: a pilot curriculum for Imi Ho'ola post-baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical school hotline], 66(9):246
KANGWANPRASERT M. Thyrotoxic periodic paralysis in a Polynesian male following highly active antiretroviral therapy for HIV infection, 66(3):60
KATZ AR. Survey of methicillin-resistant staphylococcus aureus (MRSA) carriage in health college students, Hawai'i, 66(8):213
KIM R. Initial assessment of a culturally tailored substance abuse prevention program and applicability of the risk and protective model for adolescents of Hawai'i, 66(5): 118
KIM M. Culture and motivational factors for health behaviors among young adults [Cancer research center hotline], 66(8):218
KISHIMOTO M. Risk factors for venous thromboembolism in Japan: a hospital-based case-control study, 66(9):236
KITAZONO H. Risk factors for venous thromboembolism in Japan: a hospital-based case-control study, 66(9):236
KOSUGE M. Usefulness of stapled triangular anastomosis for laparoscopic colectomy, 66(4):92
KOSUGE M. Early carcinoma of the vermiform appendix diagnosed by colonoscope: a case report, 66(4):93
KOTHARI SN. Is the distance patients travel to a bariatric center a factor in follow-up visit compliance?, 66(4):94
---Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---Economic analysis of hospital charges for choledocholithiasis by different treatment strategies, 66(4):99
---Short-term economic impact of bariatric surgery on pharmacy claims paid: a health plan perspective, 66(4):100
---Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
---BAROS results in 300 patients following laparoscopic gastric bypass with subset analysis, 66(4):97
KURIYAMA DK. Broken heart syndrome – a critical review of transient left ventricular apical ballooning, 66(10):265
LABRASH S. Standards and guidelines for willed body donations at the John A. Burns School of Medicine, 2007 [Medical school hotline],66(#):72
LAMBERT PJ. Is the distance patients travel to a bariatric center a factor in follow-up visit compliance?, 66(4):94
---Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---Economic analysis of hospital charges for choledocholithiasis by different treatment strategies, 66(4):99
---Short-term economic impact of bariatric surgery on pharmacy claims paid: a health plan perspective, 66(4):100
---Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
---BAROS results in 300 patients following laparoscopic gastric bypass with subset analysis, 66(4):97
LARA MD. Is the distance patients travel to a bariatric center a factor in follow-up visit compliance?, 66(4):94
---Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
LARSON CJ. Is the distance patients travel to a bariatric center a factor in follow-up visit compliance?, 66(4):94
---Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---BAROS results in 300 patients following laparoscopic gastric bypass with subset analysis, 66(4):97
LAU W. Successful treatment and lib salvage of mucor necrotizing fasciitis after kidney transplantation with posaconazole, 66(3):68
LAUNER L. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
LAYI G. Mindfulness Meditation and its medical and non-medical applications [Cancer research center hotline], 66(12):328

YU M. Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318

Keyword Index

ABNORMALITIES. Potential impact of pregnancy outcome on the completeness of diagnosis of birth defects, Hawai'i, 1986-2001, 66(2):32
ADOLESCENT. Initial assessment of a culturally tailored substance abuse prevention program and applicability of the risk and protective model for adolescents of Hawai'i, 66(5): 118
---Involving Hawai'i's youth as partners in global health initiatives to

impact change at the local level [Cancer research center hotline], 66(9):248
---Talking about psychiatric medications: a parent-to-parent perspective (for children and youth) part I, 66(10):260
AFTERCARE. Cancer survivorship requires long-term follow-up [Cancer research center hotline], 66(4):104
ANASTOMOSIS, SURGICAL. Usefulness of stapled triangular anastomosis for laparoscopic colectomy, 66(4):92
ANTIRETROVIRAL THERAPY, HIGHLY ACTIVE. Thyrotoxic periodic paralysis in a Polynesian male following highly active antiretroviral therapy for HIV infection, 66(3):60
APPENDICEAL NEOPLASM. Early carcinoma of the vermiform appendix diagnosed by colonoscope: a case report, 66(4):93
BARIATRIC SURGERY. Is the distance patients travel to a bariatric center a factor in follow-up visit compliance?, 66(4):94
---The short-term economic impact of bariatric surgery on pharmacy claims paid: a health plan perspective, 66(4):100
BAYANIHAN PROJECT. Factors associated with organ donation in Filipino Americans: results from Hawai'i's Bayanihan Project, 66(7):181
BIRTH DEFECTS. Potential impact of pregnancy outcome on the completeness of diagnosis of birth defects, Hawai'i, 1986-2001, 66(2):32
---Structural birth defects associated with neural tube defects in Hawai'i from 1986 until 2001, 66(9):240
BIRTH-WEIGHT. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
BRAIN INJURIES. Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
BREAST CANCER. The non-invasive diagnosis of lymph-node status based on gene expression profiles of primary breast cancer tumors [Cancer Research Center hotline], 66(1):17
---Emerging bone health issues in women with breast cancer in Hawai'i [Cancer research center hotline], 66(6):164
BRONCHIOLITIS. A snapshot of bronchiolitis in Hawaiian children: winter 2005, 66(11):296
CANCER, COLORECTAL. Tobacco smoking increases risk of colorectal cancer [Cancer research center hotline], 66(5):137
CARCINOMA, APPENDICEAL. Early carcinoma of the vermiform appendix diagnosed by colonoscope: a case report, 66(4):93
CARCINOMA, HEPATOCELLULAR. Other primary neoplasms in patients with hepatocellular cancer: prognostic implications?, 66(8):204
---The Cancer of the Liver Italian Program (CLIP) score: validation of a new prognositc system for hepatocellular carcinoma, 66(8):209
CARCINOMA, PANCREATIC. A rare case of a pancreatic tumor in association with the syndrome of inappropriate antidiuretic hormone secretion, 66(6): 158
CHILD. Talking about psychiatric medications: a parent-to-parent perspective (for children and youth) part I, 66(10):260
CHOLANGIOHEPATITIS. Oriental Cholangiohepatitis from outside of Asia, 66(1):9
CHOLEDOCHOLITHIASIS. An economic analysis of hospital charges for choledocholithiasis by different treatment strategies, 66(4):99
CHUUKESE. Oriental Cholangiohepatitis from outside of Asia, 66(1):9
---Intimate partner violence: perceptions of Chuukese women, 66(10):268
CLEFT LIP. Comparison of cleft lip only and cleft lip and palate, Hawai'i 1986-2003, 66(11):298
CLEFT PALATE. Comparison of cleft lip only and cleft lip and palate, Hawai'i 1986-2003, 66(11):298
CLINICAL TRIALS. RTOG clinical trials for prostate cancer [Cancer research center hotline], 66(10):273
COLORECTAL NEOPLASMS. Tobacco smoking increases risk of colorectal cancer [Cancer research center hotline], 66(5):137
COMPLEMENTARY THERAPIES. Lā'au lapa'au and western medicine in Hawai'i: experiences and perspectives of patients who use both, 66(7):176
CORONARY DISEASE. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
CRYPTOCOCCOSIS. Primary cutaneous crytococcosis in Hawai'i, 66(1):14
DIABETES MELLITUS. Metabolic abnormalities associated with atypical antipsychotics: a case report and alert, 66(1):12
DIAGNOSIS. Early carcinoma of the vermiform appendix diagnosed by colonoscope: a case report, 66(4):93
DOMESTIC VIOLENCE. Intimate partner violence: systematic review of literature focused on the cultures of Hawai'i, 66(5):129
---Intimate partner violence: perceptions of Chuukese women, 66(10):268
EDITORIALS. Guest editor's message: The Queen's Medical Center minimally invasive surgery symposium [Editorials], 66(4):88
---He mana'o, thoughts from the editor: the evolving world of cme [Editorial], 66(11):288
EDUCATION, HEALTH. Formulating Hawai'i's public health education needs: input from the health community, 66(2):45
EDUCATION, MEDICAL. An innovative mentoring program for Imi Ho'ola Post-Baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical School Hotline], 66(4):102
---The role of pharmacology in medical teaching [Medical school hotline], 66(5):135
---Family centered rounds: a new twist on a old concept [Medical school hotline], 66(7):188
---Senior student reflections on their educational experience at JABSOM [Medical school hotline], 66(8):216
EDUCATION, MEDICAL, CONTINUING. He mana'o, thoughts from the editor: the evolving world of cme [Editorial], 66(11):288
ELECTRONIC BIOFEEDBACK. The use of electronic biofeedback for the management of post-herpetic neuralgia - a report of 3 cases, 66(9):232
E-MAIL ETIQUETTE. Letter regarding e-mail etiquette [Letter to the editor], 66(5):116
EMPATHY. Compassion in medicine [Medical school hotline], 66(11):303
EOSINOPHILIA. Eosinophilic fasciitis in a 57-year-old Japanese-Amercian woman, 66(3):64
FAMILY CENTERED ROUNDS. Family centered rounds: a new twist on a old concept [Medical school hotline], 66(7):188
FASCIITIS, NECROTIZING. Successful treatment and lib salvage of mucor necrotizing fasciitis after kidney transplantation with posaconazole, 66(3):68
FASCIITIS. Eosinophilic fasciitis in a 57-year-old Japanese-Amercian woman, 66(3):64
FELLOWSHIPS. Can advanced laparoscopic fellowship programs be established without compromising the center's outcomes?, 66(4):96
FEMALE. Broken heart syndrome -- a critical review of transient left ventricular apical ballooning, 66(10):265
FILIPINO AMERICANS. Culturally sensitive strategies designed to target the silent epidemic of Hepatits B in a Filipino community, 66(6):154
---Factors associated with organ donation in Filipino Americans: results from Hawai'i's Bayanihan Project, 66(7):181
GASTRIC BYPASS. Effects of a standarized care plan on length of stay in patients undergoing laparoscopic roux-en-y gastric bypass for morbid obesity, 66(4):95
---BAROS results in 300 patients following laparoscopic gastric bypass with subset analysis, 66(4):97
GENOMICS. Ocean science, genomics, and pharmaceutical discovery [Cancer Research Center hotline], 66(3):76
GINGER. Ginger: an ancience remedy and modern miracle drug [Medical school hotline], 66(12):326
GLOBAL HEALTH INITIATIVE. Involving Hawai'i's youth as partners in global health initiatives to impact change at the local level [Cancer research center hotline], 66(9):248
HAWAI'I Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
---Primary cutaneous crytococcosis in Hawai'i, 66(1):14

---Grants Supporting Health Programs for Hawai'i and Pacific Islands at the John A. Burns School of Medicine [Medical school hotline], 66(1):16
---Potential impact of pregnancy outcome on the completeness of diagnosis of birth defects, Hawai'i, 1986-2001, 66(2):32
---Community recommendations on outreach activities for QUEST-Expanded: Medicaid managed care for the aged, blind, and disabled population, 66(2):36
---Formulating Hawai'i's public health education needs: input from the health community, 66(2):45
---Initial assessment of a culturally tailored substance abuse prevention program and applicability of the risk and protective model for adolescents of Hawai'i, 66(5): 118
---Intimate partner violence: systematic review of literature focused on the cultures of Hawai'i, 66(5):129
---Emerging bone health issues in women with breast cancer in Hawai'i [Cancer research center hotline], 66(6):164
---Lā'au lapa'au and western medicine in Hawai'i: experiences and perspectives of patients who use both, 66(7):176
---Survey of methicillin-resistant staphylococcus aureus (MRSA) carriage in health college students, Hawai'i, 66(8):213
---Involving Hawai'i's youth as partners in global health initiatives to impact change at the local level [Cancer research center hotline], 66(9):248
---A snapshot of bronchiolitis in Hawaiian children: winter 2005, 66(11):296
---Use of thromboprophylaxis in orthopedic surgery: a survey of Hawai'i orthopedics, 66(12):322
HAWAI'I BIRTH DEFECTS PROGRAM. Potential impact of pregnancy outcome on the completeness of diagnosis of birth defects, Hawai'i, 1986-2001, 66(2):32
HAWAII MEDICAL ASSOCIATION. The president's inaugural address: our patients always come first, 66(11):289
HEALTH BEHAVIOR. Culture and motivational factors for health behaviors among young adults [Cancer research center hotline], 66(8):218
HEART VENTRICLES. Broken heart syndrome -- a critical review of transient left ventricular apical ballooning, 66(10):265
HEPATITIS. Culturally sensitive strategies designed to target the silent epidemic of Hepatits B in a Filipino community, 66(6):154
HIV INFECTIONS. Thyrotoxic periodic paralysis in a Polynesian male following highly active antiretroviral therapy for HIV infection, 66(3):60
HOSPITAL CHARGES. An economic analysis of hospital charges for choledocholithiasis by different treatment strategies, 66(4):99
HOSPITALS. Traumatic brain injury: outcomes from rural and urban locations over a 5-year period, 66(12):318
HUMAN SERUM ALBUMIN. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
HYPERTHYROIDISM. Thyrotoxic periodic paralysis in a Polynesian male following highly active antiretroviral therapy for HIV infection, 66(3):60
IMI HO'OLA POST-BACCALAUREATE PROGRAM. An innovative mentoring program for Imi Ho'ola Post-Baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical School Hotline], 66(4):102
---Teaching medical professionalism: a pilot curriculum for Imi Ho'ola post-baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical school hotline], 66(9):246
INAPPROPRIATE ADH SYNDROME. A rare case of a pancreatic tumor in association with the syndrome of inappropriate antidiuretic hormone secretion, 66(6): 158
INDEX. Index to Hawai'i Medical Journal volume 66, 2007, 66(12):333
INFANT. Samoan parental ethnicity and infant birth-weight in Hawai'i, 66(1):4
---A snapshot of bronchiolitis in Hawaiian children: winter 2005, 66(11):296
---Comparison of cleft lip only and cleft lip and palate, Hawai'i 1986-2003, 66(11):298
INSECT BITES AND STINGS. Centipede bites in Hawai'i: a brief case report and review of the literature, 66(5):125
---Letter regarding centipede bites [Letter to the editor], 66(12):316
JAPAN. Risk factors for venous thromboembolism in Japan: a hospital-based case-control study, 66(9):236
JAPANESE-AMERICANS. Human serum albumin levels and cardiovascular risk factors in elderly Japanese-American men: the Honolulu heart program, 66(6):148
JOHN A BURNS SCHOOL OF MEDICINE. Standards and guidelines for willed body donations at the John A. Burns School of Medicine, 2007 [Medical school hotline],66(#):72
---An innovative mentoring program for Imi Ho'ola Post-Baccalaureate students at the University of Hawai'i John A. Burns School of Medicine [Medical School Hotline], 66(4):102
